The Facilities

Oxford College, Sydney provides the comprehensive modern facilities needed for successful study. In the classroom, we use modern educational equipment including audio, video and CD players. Our college facilities include computer centres for both group and individual study.

Airport Transfer

To ensure your welcome to Sydney is a friendly one, our staff or a host family can meet you at Sydney Airport and take you to your chosen accommodation.

Accommodation

Many of our students choose to live with a host family for the duration of their English course, as they can both practise their English and learn about Australian culture first hand. Experienced counsellors are always available to discuss your homestay arrangements. Our Homestay Coordinator verifies the suitability of all accommodation.

Student Welfare

The staff at Oxford College, Sydney are aware that living and studying in a foreign country can be difficult. Our friendly staff are always on hand to help students adapt to their new life in Australia.

Guardianship Arrangements

To ensure that our younger students are well looked after, Oxford College, Sydney offers guardianship arrangements with families in Sydney. The guardian families are thoroughly checked and monitored by our experienced accommodation staff. The preferences of both students and guardians are considered when the 'matching process' takes place and we try to make sure that the student and guardian will be as compatible as possible. We believe that these families provide a stable environment for young overseas students as well as ample opportunity for practising English. The provision of a guardian is an Australian Government requirement for all students under the age of 18. Therefore, Oxford College, Sydney ensures that a responsible adult is nominated as guardian.
